The Designer Behind the Work

Vollmann Olamide Akarakiri is a multidisciplinary design professional specialising in interior design, space planning and 3D visualisation. With 7+ years in the built environment, he brings architectural rigour and creative vision to every interior — from intimate residential spaces to large corporate fit-outs.

Backed by a strong BIM and construction background, his designs are buildable, coordinated and delivered on time — bridging the gap between concept render and physical reality across residential living spaces, boardrooms and corporate conference suites.

Interior Design Expertise

End-to-end interior design services — from client brief and concept to detailed drawings and fit-out oversight.

Residential Interiors

Living rooms, dining areas, bedrooms, kitchens and bathrooms — complete home interior packages tailored to each client's lifestyle, preferences and budget.

LIVING · DINING · BEDROOMS

Corporate & Office Spaces

Executive boardrooms, conference rooms, open-plan offices and reception areas — environments designed for productivity, brand identity and professional impact.

BOARDROOMS · CONFERENCE · OFFICES

3D Visualisation

Photorealistic renders and walkthroughs that communicate design intent with clarity — helping clients visualise and approve designs before construction begins.

RENDERS · WALKTHROUGHS · PRESENTATIONS

Material & Finish Specification

Comprehensive material schedules covering flooring, wall finishes, ceiling treatments, fixtures, fittings and bespoke joinery — fully coordinated for procurement.

MATERIALS · FINISHES · SCHEDULES

Kitchen & Joinery Design

Bespoke kitchen layouts, cabinetry design, island configuration and storage solutions — designed and documented for manufacture and installation.

KITCHENS · CABINETRY · BESPOKE

Fit-Out Project Management

End-to-end fit-out coordination — contractor management, quality control, procurement oversight and programme management from design through handover.

FIT-OUT · DELIVERY · HANDOVER

BUILT INTERIOR — SIX-BEDROOM DUPLEX, ADO

The Body Shop — Retail Interior

Retail interior fit-out · Ikeja City Mall & Circle Mall, Lekki, Lagos.

INTERIOR

PROJECT HIGHLIGHT

Delivered for The Body Shop's second and third Nigerian stores as the international brand entered the market. Working to the client's supplied concept and global brand standards, our role was to interpret, coordinate and execute those requirements on site — producing stores true to the international specification with a high-quality local finish.

Alcove Home — Residential Interior

Private residential interior · Yaba, Lagos.

Living Room — Marble Feature Wall

BUILT INTERIOR

Console & Mirror Joinery

JOINERY

Study & Display Joinery

INTERIOR

PROJECT HIGHLIGHT

A complete residential interior for a family newly settled into their Yaba home, delivered end to end in roughly six weeks. Once the design direction was agreed, we produced detailed working drawings, coordinated and supervised furniture fabrication, and managed on-site installation to meet a tight handover.

Six-Bedroom Duplex Interior, Ado

Full interior finishes · six-bedroom duplex, Ado.

Living Room — Feature Wall & Media Unit

BUILT INTERIOR

Kitchen & Island

INTERIOR

Dining Room

INTERIOR

PROJECT HIGHLIGHT

Commissioned once the building's construction phase was complete. Working closely with the client, several interior concepts were explored before the preferred scheme was agreed; the detailed package was then developed and implemented — transforming the finished structure into a cohesive, refined living environment.

Fina Trust Bank — Sales Outlet

Banking sales-outlet interior · Orile, Lagos.

Branded Reception Lounge

BUILT INTERIOR

FIT-OUT

Glazed Partitions & Entrance

INTERIOR

PROJECT HIGHLIGHT

An interior scheme for Fina Trust Bank. Several design options were developed and presented to the project's stakeholders; following design reviews and consultation, a preferred concept was selected and the final package completed in about three weeks, ready for execution.

Sapele Road — Residential Interiors

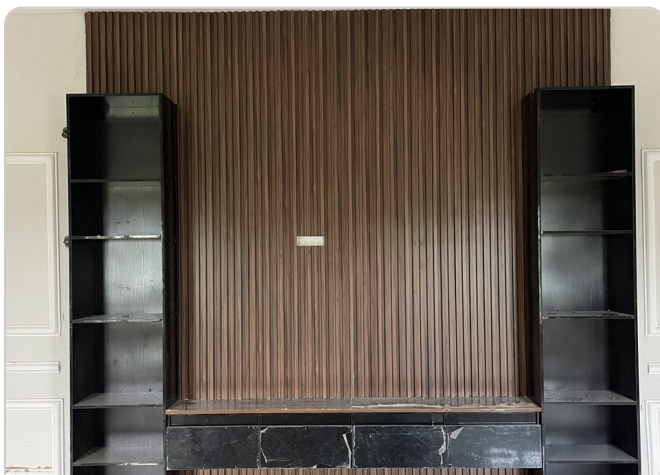

Two private residences · Sapele Road.

JOINERY

TV Entertainment Unit

INTERIOR

PROJECT HIGHLIGHT

Interior design for two adjacent private residences on Sapele Road — a four-bedroom and a five-bedroom home. Tailored concepts were developed for each before progressing into detailed design and implementation, giving both homes a consistent design language while reflecting the client's individual preferences.

Design Renders & Interior Details

Visualisation studies alongside finished interiors and bespoke joinery from across the residential and commercial projects.
